

13th EDITION
NUTRITION-NEUROSCIENCE SCIENTIFIC DAY

APRIL 22nd 2021

SPEAKERS

Susanne LA FLEUR, Amsterdam

Claire DE LA SERRE, Athens, GA, USA

Vanessa ROUTH, Newark, NJ, USA

KEYNOTE SPEAKERS

UNIVERSITY OF NAVARRA

Pedro GONZALEZ MUNIESA

Manuel H JANEIRO

BORDEAUX NEUROCAMPUS

Mathilde CHATAIGNER

Imane HUREL

Hugo MARTIN

Live event - *LiveStorm*

Free registration required at :

SPONSORS

..... **SCIENTIFIC PROGRAM**

12:30-13:00: Welcoming attendees

13:00-15:00: Session 1

13:00-13:30 Pedro Gonzalez Muniesa (University of Navarra, Pamplona)
Is oxygen a nutrient?

13:30-14:00 Imane Hurel (Neurocentre Magendie, Bordeaux Neurocampus)
Choosing between exercise and food in a closed economy setting: role of CB1 receptors

14:00-14:30 Mathilde Chataigner (NutriNeuro, Bordeaux Neurocampus)
Impact of a supplementation with marine active ingredients on neuroinflammation associated with age-related cognitive decline

14:30-15:00 Susanne La Fleur (University of Amsterdam, Amsterdam)
Striatal dopamine and systemic glucose metabolism

..... **15:00-15:30: COFFEE BREAK**

15:30-17:30: Session 2

15:30-16:00 Manuel H Janeiro (University of Navarra, Pamplona)
Implications of TMAO in Alzheimer's disease

16:00-16:30 Hugo Martin (NutriNeuro, Bordeaux Neurocampus)
Insulin modulates mood in acting onto the serotonergic system

16:30-17:00 Vanessa Routh (Rutgers University, NJ, USA)
Multiple personalities of orexin glucose-inhibited neurons

17:00-17:30 Claire De La Serre (University of Georgia, Athens, GA, USA)
Microbiota-vagal signaling and feeding behavior

..... **ORGANIZING COMMITTEE**

Xavier FIORAMONTI - Diana ANSORENA

Arnaud RODRIGUEZ - Jean-Michel HOURDON

Frédéric MINIER
